THAT'S WHAT THE MAN SAID — Russian UN delegate Seymon K. Tsarapkin, right, and Guatemalan delegate Dr. Eduardo Catillo-Abrila, left, exchange a few comments just before the session of the United Nations Security Council at which Tsarapkin declared, "I am not a gentleman, I am the representative of the Soviet Union." The remark was made after Tsarapkin asked for the floor during debate over the Guatemalan situation, and Council President Henry Cabot Lodge, Jr., had queried: "For what reason does the gentleman wish to be recognized?"

2 Injured In Road Mishaps

Columbiana Woman Hurt On Route 164

Two persons were injured in two of three highway mishaps investigated by State Highway Patrolmen Monday and today.

Evelyn L. Ruckle, 40, of Columbiana received lacerations of the left knee and possible rib fractures when the car in which she was riding struck a small wooden building on Route 164, about seven miles north of Columbiana, at 3:02 a. m. today.

Patrolmen said the driver, Edward Davis, 42, of Columbus, northbound on the highway, lost control in a curve and shot off the road. The injured woman passenger was taken to Youngstown South Side Hospital.

In fair condition today at Salem City Hospital today is Phillip Daley, 48, of Akron, who was injured Monday when his car hit a telephone pole in front of the George Rogers residence on the Damascus Road, a mile west of Salem, at 11:30 a. m.

Cited for reckless driving, the Akron driver received contusions of the chest, lacerations of the nose and lips.

Two cars and a truck figured in a smashup on the Georgetown Rd., eight miles south of Salem, at 8:30 a. m. Monday.

According to state patrolmen, a car driven by Phillip Goley, 35, of Minerva sideswiped a truck, operated by Ira Conklin, 73, of Beloit, which was parked partially on the road.

The truck, patrolmen said, then went off the road and struck another parked car, owned by Lee Wyss of North Georgetown, and the Goley car ran off the left side of the road. No one was injured.

Conklin was cited by patrolmen for parking on the highway and Goley was charged with failing to stop in the assured clear distance.

Kelly-Morris Circus To Show Here July 16

The Kelly-Morris circus will come to Salem Friday, July 16, under auspices of Allen K. Reynolds Post, Veterans of Foreign Wars.

Ike, Churchill To Press For Asia Defense

Prime Minister Asks Try At Living In Peace With Russia

WASHINGTON (AP)—President Eisenhower and Prime Minister Churchill end their historic unity conference today in evident determination to avert a breakdown of British-American cooperation despite persistent disagreement on major Communist issues.

Gas Station Robbers Get \$145 Loot

Two armed teenage robbers held up a youthful gas station attendant and escaped with about \$145 in bills at the Sohio Turnpike Service near Unity on Route 170 this morning about 2:15.

The attendant, Frank Repasky, 18, said the pair wearing blue jeans entered as Repasky's two younger brothers slept in a car outside and told him, "stand against the wall."

One of the thieves ordered Repasky to open the cash register. He took the bills, but left behind about \$40 in change.

The youths, between 18 and 20 fled on foot although Deputy Sheriff Russell Van Fossan believed they left their car parked some distance from the station.

John Repasky, 14, and Paul Repasky, 16, had crawled into the car to sleep just before the robbery occurred.

When the youths walked in, carrying blue "blue steel" revolvers, they asked the location of the "other two," then ordered Repasky to rip the phone from the wall.

One boy, clad in a shirt, weighed about 150 pounds and was five feet, four inches tall, the attendant said. The other wore a flannel shirt, was about 170 pounds and five feet, ten inches.

The station is managed by Barry Dickson of RD. East Palestine, who was in Columbus when the robbery happened.

Will Visit Canada

Then the 79-year-old Churchill takes off for a brief visit to Ottawa, Canada, on his way home to London.

He leaves behind a ringing appeal for a "real good try" at living peacefully with Soviet Russia.

Two accomplishments of the talks were set out yesterday in a joint statement by the American and British leaders.

They agreed to "press forward" plans for a collective defense against communism in Southeast Asia whether the Indochina war is settled or whether it goes on. And they agreed that the projected European Defense Community provides the best means for rearming West Germany, while telling France other means of doing this will be considered if French approval of EDC is not given promptly.

Answers Questions

Churchill then replied to questions at a press luncheon attended by more than 800 newsmen and British and American officials and diplomats. Some who heard him gained the impression that one of his motives in coming to the United States now was to deliver a plea for an all-out attempt at getting along with the Russians, as an alternative to what he termed the "doom-laden" condition of the world today.

It is no secret that many Britons fear U. S. policy toward the Soviet Union and Red China has become too rigid.

Churchill's appeal was built on the idea of establishing more contacts with the Russian people and on the faith that their interest in better living conditions would operate as a restraint on the policies of the Soviet government.

"I would like to make quite sure," he declared, "that the Russian people would not feel that they might gain far more by a quarter of a century of peaceful development in their own country than they would by pressing matters to a point where we should all be led to a situation which baffles human imagination in its terror but which, I am quite sure, would leave us victorious—but victorious on a heap of ruins."

He made clear repeatedly that in his opinion the basis of any effective policy by the Western Powers toward Russia must be the unity of the United States and Britain.

He emphasized, as Foreign Secretary Eden had done a week earlier, Britain's interest in having a nonaggression guarantee for Southeast Asia.

He argued that while the Locarno Treaty of 1925, establishing non-aggression guarantees in Europe, had not served to prevent Hitler, conquests, he thought the reason was that the United States was not in the pact. He contended that in any such arrangement today, wherever applied, the participation of the United States would make it a "real help to the bewildered world."

Report Chiang, U. S. Agree On Defense Pact

TAIPEH, Formosa (AP)—An influential Taipei newspaper said today President Chiang Kai-shek and Gen. James A. Van Fleet, special representative of President Eisenhower, have agreed tentatively on a mutual defense pact linking Nationalist China and the United States.

There was no confirmation from any source.

The usually well-informed United Daily News said:

1. Chiang and Van Fleet have agreed on a pact which would leave the Nationalists free to attack Red China and would not commit the United States to support such an attack.

2. The United States would agree to protect major offshore island bases such as Quemoy and the Tachens.

Quemoy, near Red-held Amoy, lies across the Formosa Straits. The Tachens, northern anchor of the Nationalist island chain, lie roughly 200 miles north of Formosa.

Since the outbreak of war in Korea the U. S. 7th Fleet has patrolled waters around Formosa to guard against Red invasion. However, it has not guarded the offshore island bases, many of which lie almost within range of Red guns.

The Daily News said the tentative defense pact has been sent to Washington for final approval.

Observation Tower Begun At Lisbon

LISBON — Fred C. Burson, supervisor of the Ground Observer Corps here, said today he hopes to have the aircraft observation tower manned and in operation by mid-July.

Construction of the tower on the Memorial Stadium pressbox was scheduled to begin today by Robert Kelm, local contractor.

Sgt. Paul Helrich of the Canton Filter Center met with Burson and assistant spotters Monday night at Civil Defense headquarters on N. Market St. He outlined message transmitters from the tower to the filter center and explained the operation of the Canton center.

Burson is in the process of completing a staff of seven assistants, each of whom will have charge of observers one day a week.

Recruitment of a 180-person plane watching corps has begun. Each observer will work two hours a week. The cost of the 10-foot tower, estimated at about \$450, will be divided between the village and Columbiana County commissioners.

Legion Band Prepares For State Competition

American Legion Quaker City Band will rehearse Tuesday from 8 to 9 p. m. at Reilly Field and from 9 to 10:30 at the Legion home in preparation for coming events.

Thursday at 8 p. m. members of the trombone, baritone and bass sections will practice in preparation for the state competition Saturday, July 31, at Cincinnati. Friday night the band will play at the Volunteer Firemen's parade at Wellsville, and Monday, July 5, at Poland's fireworks display.

If the band wins in the state competition it will go on to the national contest in Washington, D. C.

Eclipse Of Sun Set Tomorrow

Warning To Viewers Given By Experts

NEW YORK (AP)—A dragon swallows the sun tomorrow morning.

This at least was one ancient superstitious explanation of what, millions of Americans should be able to see soon after dawn—a total eclipse of the sun or good portion of it.

The great celestial show, practically the last one this century for many Americans, will be reserved for early risers.

The full blackout, or total eclipse, will be viewed only by persons in a belt 68 to 96 miles wide from Holt County, Neb., and extending through South Dakota, Minnesota, Wisconsin and Michigan, in the United States. Minneapolis and St. Paul are the only major cities in the path.

But other millions should catch a good portion of it if the weather is kind—a 74 per cent bite out of the sun in New York, about 85 per cent in Chicago, 82 in St. Louis, 91 in Denver, 71 in Atlanta, 75 in Washington and 66 per cent in Tallahassee.

14 Tax Delinquent County Lots Sold

LISBON — Jack Johnston, deputy in charge of delinquent land taxes, reported that 14 parcels of Columbiana County real estate on which taxes were not paid were auctioned Monday at a total price of \$1,084.90.

Twenty-four parcels on which taxes were delinquent were re-deemed, he said, since June 1.

Two parcels each were sold in Washingtonville, and one each in St. Clair Township, Center Township, New Waterford, Salineville, Leetonia, Perry Township and Salem.

Three East Liverpool tracts sold were parcels in the Grandview addition, \$37; in the Huston Land Co. addition, \$70 and in the Island Ave. Land Co. addition, \$43.

Highest price bid was \$350 for a 34-acre parcel in Franklin Township, but bids ran as low as \$11.

Seventy-five prospective buyers took part in the annual sale.

Deed and transfer fees amounted to \$18.90.

Runs Into Chief's Car, Lands In Jail

A 37-year-old Beaver Falls, Pa., motorist, who had too much to drink, no driver's license, and ran into Chief of Police Nerr Gaunt's car yesterday, will spend nearly two months in Mahoning County Jail at Youngstown.

Mayor Dean B. Cranmer fined the defendant, Albert Mahana, \$100 and costs for driving while intoxicated and sentenced him to three days in jail, and \$50 and cost for driving without an operator's license.

Mahana, police said, pulled out of a parking space on E. State St., east of N. Ellsworth Ave. at 8:55 p. m. Monday and hit the side of Gaunt's car. Mahana's vehicle then hit a third car parked at the curb, owned by Robert Dean Hepfinger, 31, of Bowling Green.

All three cars were damaged slightly, police said.

Mahana, at a hearing this morning before Mayor Cranmer on the two charges, told the mayor he had no money. Mahana will be taken to Mahoning County Jail tomorrow morning to sit out his fine at the prescribed \$3 per day.

\$280,926 Contract Let For United Local School

A \$280,926 general building contract was let by the United Local Board of Education Monday night to Cartwright Construction Co. of Sebring which will begin soon to erect the new United Local High School adjacent to the present centralized elementary school.

George Cardinal of Sebring, who bid \$95,011, was awarded the combined plumbing and heating contract, and the Modern Electric Co. of Alliance, which bid \$29,315, was given the electrical contract.

Homer Dorr, clerk of the United Local board, said the total cost of the building, including architect's fees, will be \$429,567. Kin

Thousands Of Persons Flee In Face Of Rio Grande Flood

LAREDO, Tex. (AP)—Police in this border city hurriedly evacuated residents of low areas today in the face of the Rio Grande's greatest flood.

Police said an expected 40-foot crest would send flood waters boiling into the business section of this city of nearly 52,000.

Across the steadily rising rampaging boundary river the twin Mexican city of Nuevo Laredo abandoned attempts to sandbag the levee. Workmen started moving everything possible, including the population, to higher ground.

Police expected the waters to envelope the already closed International Bridge at any moment.

Thousands of people on both sides of the U. S.-Mexico boundary fled to the hills. Nearly 100 miles north of the Rio Grande, in the rich oil-and-cattle country of far west Texas, 14 persons were believed dead after flash floods swept through Ozona.

Flood stages 5 to 15 feet higher than ever before were expected in the border cities today. But an International Boundary and Water Commission (IBWC) spokesman, after a plane flight over the river, said:

"How much the river will rise after this crest passes is any body's guess."

The IWBC had lost contact with its gauging points north of Langtry, some 60 miles upstream from Del Rio.

Back of the picturesque border river's churning, debris-laden crest were shattered bridges, flooded towns and washed-out railroads and highways. Thousands were forced from their homes, but—except for tragedy-ridden Ozona—there had been no loss of life reported.

River-wise city folks quickly evacuated their homes. Farmers had been warned and joined the thousands in the Mexican hills. Much of the Mexican side of the river is lower than the U. S. side.

The rains, some up to 22 inches were spawned by last week's Hurricane Alice, which lashed the Texas-Mexican Gulf Coast for 12 hours last Friday.

Ahead of the rushing floodwaters lay the great international Falcon Dam, dedicated less than a year ago by the presidents of the United States and Mexico. It was expected to keep the damaging floodwaters from the lush vegetable and citrus-growing lower Rio Grande Valley and its big population.

For the lower valley, the great flood was a blessing. Beyond Falcon Dam, the river has been virtually dry. Now the flood will be used in future months to slacken the mammoth thirst of the orange and grapefruit groves, the vegetable farms and cotton-growing areas.

CIO Officials Meet On Steel Negotiations

PITTSBURGH (AP)—Top policy makers of the CIO United Steelworkers gathered for meetings today amid reports a new contract agreement has been reached with U. S. Steel Corp., which usually settles the bargaining pace for the entire basic steel industry.

While the negotiators didn't end a marathon negotiating session until 2 a. m. (EDT) today, the union's Executive Board got ready to meet at 10 a. m. (EDT). At 2 p. m. (EDT) the USW's 170-man Wage Policy Committee was scheduled to act on the board's recommendation.

Although neither Big Steel nor the union would comment on reports of a settlement, the Pittsburgh Post-Gazette said an agreement had been reached. The newspaper predicted quick ratification and said the other major steel companies, facing the same contract expiration deadline of midnight tomorrow, will fall into line.

A source close to the union was quoted as saying the reported agreement provided a package increase totaling about 12½ cents an hour. However, industry sources were reported to have set the figure at about 8 cents an hour.

The 600,000 USW members employed in the basic steel industry have been averaging from \$2.14 to \$2.24 an hour.

Guatemala Investigation Is Called Off

WASHINGTON (AP)—The Inter-American Peace Committee today called off its investigation of the Guatemalan situation about an hour before it was to leave Washington.

Presumably, the reason was the resignation of the military junta in Guatemala, although the committee merely announced it was postponing its investigation "until further notice because of further developments."

The decision came so suddenly that a four-engine U. S. Air Force plane was left standing and waiting at the military air transport terminal where it had been readied to fly the committee delegates to Guatemala. Plans had called for three-day visits by the committee in Guatemala, Honduras and Nicaragua.

The committee went into a closed-door session at the Pan-American Union to hear a report by Asst. Secretary of State Henry Holland.

Holland declined to tell reporters what he had discussed with the five-nation committee but it was believed he gave the delegates the latest information on the change of government in Guatemala.

An obvious question was whether there would be any issue left for the committee to investigate.

It had proposed to look into aggression charges against Honduras and Nicaragua by the Arbenz administration which is now completely out of power.

If the rebel forces of Col. Castillo Armas should come into control of the country, the issue undoubtedly would be washed out.

It was considered a foregone conclusion that Col. Castillo would not make any such accusations against Nicaragua and Honduras.

Rebels Continue To Press Fight; Bomb Capital

Complete Surrender Is Demanded By Armas Insurgents

BULLETIN
SAN SALVADOR, El Salvador (AP)—The Guatemalan government radio today reported the resignation of the regime headed by Col. Carlos Enrique Diaz who had taken over from President Jacobo Arbenz Guzman Sunday night.

The announcement came after Col. Castillo Armas, leader of the anti-Communist rebels in the Guatemalan war, demanded "unconditional surrender" of the junta headed by Enrique Diaz.

The Guatemalan broadcast said Jose A. Sanchez, another member of the three-man junta which succeeded Arbenz, had also quit.

It said Alfred H. Monzon, who was the third member of the junta headed by Enrique Diaz, now heads the new ruling group. The other two were listed as Jose Luis Salazar and Maurice Dubois.

The decision came so suddenly that a four-engine U. S. Air Force plane was left standing and waiting at the military air transport terminal where it had been readied to fly the committee delegates to Guatemala. Plans had called for three-day visits by the committee in Guatemala, Honduras and Nicaragua.

The committee went into a closed-door session at the Pan-American Union to hear a report by Asst. Secretary of State Henry Holland.

Holland declined to tell reporters what he had discussed with the five-nation committee but it was believed he gave the delegates the latest information on the change of government in Guatemala.

An obvious question was whether there would be any issue left for the committee to investigate.

It had proposed to look into aggression charges against Honduras and Nicaragua by the Arbenz administration which is now completely out of power.

If the rebel forces of Col. Castillo Armas should come into control of the country, the issue undoubtedly would be washed out.

It was considered a foregone conclusion that Col. Castillo would not make any such accusations against Nicaragua and Honduras.

Businessmen At Mid-Year Look For Pleasanter Sailing In Fall

EDITORS NOTE

In the following, the first of two columns on the state of business and industry so far this year, Sam Dawson, Associated Press business writer, tells where the economy has been the first six months of 1954.

By SAM DAWSON

NEW YORK (AP)—Having shot the rapids without major damage, businessmen at mid-year look for pleasanter sailing come fall.

The summer doldrums may help in a number of cases. The factory shutdowns for July vacations should trim inventories a little more, let new orders and consumer demand build up.

For fall the outlook is for more new orders on the books, better sales, fewer layoffs, high weekly work hours, with factory employment rolls either at their present levels or rising if orders come in as now seems likely.

Most retailers seem confident now that in the next six months they can equal sales volume of a year ago. Some think they can surpass it. If so, it'll be a merry Christmas.

Few in industry and trade, however, look for sharp gains. They think, rather, that the long decline in business is over or about so, that the adjustment will continue here and there in some industries till fall, that after Labor Day there are likely to be more plus signs than minus ones in the economy.

All but the most ardent booster, however, look for the upturn to be moderate and its pace as measured, and pleasant, as a wedding march.

This confidence is a reversal in their thinking of six months ago. The year started on a pessimistic note with worry increasing as the early months brought a string of factory layoffs and shortened work weeks.

Industrial output continued its downward slide until May, a total drop of 10 per cent.

Factory sales dropped eight per cent, with the sales of durable goods down 12 per cent and the soft goods selling about as well as ever.

In sections where the economy is based largely on the manufacture of durable goods, the winter and spring were not happy ones.

Some manufacturers aren't out of the woods yet. As a whole, they've knocked down their inventories of raw materials by 10 per cent and pared their stocks-in-process a little, but it's only since late spring that their stocks of finished goods have stopped piling up.

The two saving notes in all this are:

1. The consumer goes on buying about as much as ever, although shifting considerably from one class of goods to another and becoming more insistent in looking for a bargain.

2. Earnings hold much better than output and sales.

Tax cuts help in both instances. The consumer has the benefit either of less of an income tax bite on his paycheck, if he's drawing one, or of unemployment benefit payments, if he isn't. On some goods, moreover, his dollar goes farther in the store because of the excise tax cut.

Many corporations showing lower gross earnings end up with higher profits after taxes because of the end of the excess profits tax. Many also have the benefit of more efficient plant and machinery as a result of their postwar expansion programs. So, if they curtail production they shut down the older, less profitable machines or plants first.

Many a company expects its profits statements for the last half of this year to reflect rising sales and thus to top the same period of last year, when sales were dropping.

Price structures have been remarkably steady for some time. Most businessmen look for them to stay that way. They think rising demand will bolster raw material prices, which tend to shakiness because of growing abundance. They contend that competition will act as a governor in holding down the tendency of manufactured goods prices to rise because of high operating costs and the inflationary aspects of an easy money policy.

Those in defense work think the

government may be a little more generous in orders in the next six months than it was in the last six.

Some look for more tax relief if the revision bill passes Congress, but most see little chance of rates dropping soon.

All expect the recovery to be as spotty as was the set-back.

Some, like the construction industry, say they didn't feel the slowdown at all. Some, like textiles and coal, are feeling it badly. Some, like autos, found the recession a selective thing among companies, and are far from sure the adjustment is over yet. Some, like oil, think their time may just be coming up.

But on the whole the prospect is for a long slow climb back toward a prosperous peacetime economy—assuming, of course, that peace is what we'll have.

(TOMORROW) What's ahead for the consumer for the rest of the year.)

LEETONIA —Thirty-nine relatives and friends gathered at Wadell Park in Niles Sunday for a picnic supper to help Mrs. Joe Miller of Niles celebrate her birthday.

The oldest one there was Walter Kennedy of Salem and the youngest Wendy Carol Robson of East Palestine. It was decided to make this an annual affair.

Those attending from Leetonia were Mr. and Mrs. Raymond Leonard Sr., Mrs. George Wire Mr. and Mrs. Edward Gotthardt, and Mr. and Mrs. Edward Gotthardt Jr. Other guests were from Alliance, Salem and East Palestine.

The regular meeting of the Leetonia Sportsmen's Club will be Thursday evening. Summer activities and other important business matters will be discussed.

Mr. and Mrs. Raymond Lodge attended the wedding of their granddaughter, Miss Janet McGarvey to Gary Hartman, both of Warren, Saturday at 4:30 p.m. in the First Reformed Church in Warren. A reception in the church parlor followed the ceremony.

Mr. and Mrs. Robert Fowler of Cadiz are visiting her mother Mrs. Effie Stratton.

Booby Trap Backfires On Owner Of Cabin

CREEDE, Colo. (AP)—J. T. Hord of Rockport, Tex., was the victim, officers said, of his own booby trap.

Sheriff Harry Larson said that before leaving his summer cabin last fall, Hord rigged a .22-caliber rifle facing the doorway to guard against prowlers and thieves. Then he posted warning signs about the place.

Upon returning yesterday Hord broke down the door. He stormed through the door. The rifle fired, and Hord dropped with a slug in his chest.

He crawled to a near-by highway where passersby found him and drove him to a hospital at Del Norte. His condition was reported serious.

MAN KILLS WIFE, SELF

DAYTON, Ohio (AP)—Police said an argument over a divorce resulted yesterday in the suicide of Raymond Staton, about 36, after he shot and killed his wife, Edna Rose, 33, of Baltimore, Md. Staton died several hours after his wife was shot in a downtown rooming house. Two children, aged 9 and 7, survive.

CHARGED WITH SLAVERY

HUNTINGTON, W. Va. (AP)—The FBI yesterday filed white slavery charges against Ray Clay Davis, 54, of Burlington, Ohio, and Mrs. Lola Shy, 26, of Huntington. They are charged with transporting a 16-year-old divorcee from West Virginia to Ohio for immoral purposes. The girl, reported missing by her parents for a week, returned to her Fort Gay, W. Va., home June 14.

Hanover Civic Group Plans Dance July 7, Meeting July 8.

HANOVERTON — The summer meeting of the Civic Benefit Fund Association will be held Thursday evening, July 8, in the Kensington Methodist Church at 9 o'clock.

Reports will be heard on the May 20th meeting, a report on the activities and progress of the County-Side Youth Center and the election of a new director for Hanover Township.

Charles J. Gause, president, expects that the ministers and the heads of civic and fraternal organizations in the community who did not attend the meeting in May, will be interested to learn the results of the discussions held at that time.

Only about one-third of the invitations issued were accepted and only two of the 14 ministers in the area came to the meeting. However, despite the small attendance, Mr. Gause is of the opinion that the adults in the community have taken a definite step forward toward a more sympathetic understanding of their young people.

At the Association's summer meeting July 8, it is expected that one or two of the Youth Center members will be present to report on the Center's activities. This report should prove to be of tremendous interest to the parents of these young people and to their adult friends.

Public Dance Planned

Frank Zehentbauer, president of the County-Side Youth Center, announces the completion of the Center's plans for a public dance to be held in the Parish Hall of St. Philip Neri Church in Dunganon Wednesday evening, July 7, from 9 o'clock on.

Jim Wilson, general chairman, reports that tickets for the dance may be purchased from members of the Youth Center or at the Parish Hall that evening. Harry Lippincott's orchestra has been engaged for the evening's entertainment and will provide the music for both the round and square dancing. Vince Andrus will call the square dances. Members of the refreshment committee, under the supervision of their chairman, Janet Reeder, will serve cold refreshments.

Fred Ziegler, chairman of the publicity committee, and his assistant, Patsy Lease, have made posters advertising the dance. The event is open to the adults as well as to any of the younger group who would like to come.

As a result of the recent scrap paper drive, the Center treasury was increased by \$31.47. Jim Wilson, chairman of the drive, ex-

presses his thanks to those members of the Center who took an active part in that work, and to George Wilson of Hanoverton who donated his time and his truck for hauling the 7000 pounds of paper which was collected to Canton.

For the June 15th meeting of the Center, the members met at Manful's Lake near Kensington for a swimming party and wienie roast. Mr. and Mrs. Charles Snively were chaperones.

The next meeting will be held Tuesday evening, July 6, at the American Legion Hall in Hanoverton, at which time the committee chairmen will make final reports on plans for the dance.

Find Body Of 3rd Child Who Drowned In River

CHILLICOTHE, Ohio (AP)—The body of 5-year-old Donald Edward Hart was found in Deer Creek shortly after noon Monday about 20 hours after he wandered away from his father on a fishing trip.

Donald had been the subject of a widespread search by city firemen, sheriff's deputies, state highway patrolmen and sheriff's deputies since he disappeared yesterday. He was the son of Mr. and Mrs. Donald Hart of Rt. 3, Chillicothe.

The youngster disappeared about the same time the body of another drowning victim was recovered, the third of a trio of boys who drowned June 18 in the nearby Scioto River.

Firemen Plan Demonstration

To Be Held Aug. 21
At Firestone Park

COLUMBIANA — Firestone Park will have the biggest event in its history Saturday, August 21, when 5,000 members of the State Firemen's Association, in concluding their annual convention in Youngstown that week, will come to Columbiana in special busses for an all-day program of demonstrations of fire fighting equipment.

Fire departments of the Northeastern Ohio area are making arrangements for handling the crowd. The Poland department will have charge of providing eats, many to have their meals in relays in Pavilion 4.

A special detail of 100 policemen will be provided by the firemen, to clean up the park after the event. Another meeting of firemen of the area will be held soon to complete arrangements.

The demonstration program is being brought to Columbiana as the most suitable place near Youngstown. The program will include the burning of a gasoline tank to show methods of controlling a gasoline fire.

The McCartney & Sampson Co. of Youngstown started work yesterday on the seal coating of a number of streets listed by council some time ago for treatment this summer.

Tries To Kill Bees, Blows Up Chimney

GLANDALE, Calif. (AP) — Fire Marshal A. W. Hunt offered this report today on an explosive bee fumigation conducted by a citizen: John L. Harris, seeking to eradicate bees in his chimney, climbed to the roof and dropped down a gasoline-oaked rag, unaware that coals still glowed in the fireplace.

The resulting blast blew both bees and bricks into the living room. Mrs. Harris, in another room, and Harris, on the roof, escaped injury. Fire department investigators estimated damage at \$1,000.

The evicted bees apparently took up residence elsewhere.

Money Grants To Vet Groups Ruled Illegal

COLUMBUS, Ohio (AP) — Money grants to veterans organizations from the Ohio Legislature yesterday were ruled unconstitutional by Judge James E. Kinnison.

The common pleas court action stopped a 76-year-old practice of the General Assembly in giving grants to veterans groups. It also upset three earlier court rulings upholding the legality of the grants.

Judge Kinnison, on assignment here from Jackson County, ordered the state not to pay the second half of grants totaling \$265,858 to eight veterans organizations.

He ruled these grants "constitute use of public funds for private purposes."

"The fact that these organizations used the money for purposes paralleling the uses which might have been made of it by the state is immaterial," he said. "Complete discretion in the use rested with the organization, uncontrolled by the state."

Organizations who received the grants included the American Legion, Disabled American Veterans, AMVETS, 83rd Division AEF Veterans Assn., Ohio Rainbow Division, United Spanish War Veterans, 37th Division AEF Veterans Assn., and the Veterans of Foreign Wars.

Paul M. Jerbert, attorney for the veterans groups, said he would appeal. The grants previously were

challenged in 1947, 1949 and 1951. The present challenge was brought by Brunner Dickman and Jerome Goldman, Cincinnati attorneys. Both are World War II veterans.

The biennial grants included \$72,375 each to the legion, the DAV and the VFW, \$23,160 to the United Spanish War Veterans and \$14,475 to AMVETS.

Car Is Demolished By Dynamite Blast

WASHINGTON, N. C. (AP) — Officers said it must have taken two sticks of dynamite planted under the hood of Mrs. Susie Key's automobile to have done all the damage yesterday.

The blast shattered the car's front end and windows in a nearby home, dug a deep hole in the ground and hurled part of the motor and hood 25 feet. Officers said they didn't know who did it.

Neither did Mrs. Key's 17-year-old son Jibe, who said he slept through it all in the back seat.

All-Girl Safari

By HAL BOYLE

NEW YORK (AP)—Any girl who fails to ambush a husband during the summer open season on bachelor elms can soothe her pride by going to Africa and mowing down an elephant.

Miss Beverly Putnam is organizing the first all-girl elephant safari in history. The 49-day trip, starting Sept. 10, will cost \$3,120, plus \$214 for a license that "allows one elephant only."

"But the very from an elephant ordinarily sells for about \$300," said Beverly, practically, "so that should cover the cost of the license. It isn't necessary to buy an elephant gun. They can be rented."

Beverly, tall, pretty, dark-haired and 32, is no stranger to Africa. Since her childhood days in a convent, she had dreamed of adventure in far places. Last winter she threw up her job with Scandinavian Airlines to lead a group of 14 girls on a 38-day safari to Africa.

The party, ranging in age from 27 to 60, included housewives, single girls, widows and divorcees. Two of the ladies took one long

look at Africa, and headed back home. But a durable dozen stayed and had a fine time, banging away at the landscape.

"Only 6 hunted with guns—the rest used cameras," said Beverly. She herself bagged a buffalo, a zebra, two gazelles, a wildebeest and a hartebeest.

Can a dozen or more women actually have any fun together on a safari?

"Of course they can," said Beverly. "We'll have 5 white hunters and 45 native boys in the party."

"We'll have hot water at all times, plenty of ice cubes (we take along a refrigerator), home-made ice cream, and fresh eggs every morning. The native chef specializes in dishes such as antelope soup and gazelle barbecues."

"The first three days are rough—personality-wise. You average 30 to 75 miles a day in hunting cars, and your bottom gets real sore. The sun gets you down at first, too, and sometimes the tsetse flies are bothersome."

"But there is so much else to make up for it...the excitement during the day...the nights around the campfire, listening to the coughing of distant leopards and the howling of hyenas."

"The women soon learn to get along—if they are ever going to get along. Of course, sometimes there are some petty jealousies. The fight to get sets next to the white hunters at dinner time can become pretty fierce."

However, the possibility of romance isn't altogether ruled out. Africa is studied with all-male hunting safaris, and when they learn that there is an all-girl safari roaming the veldt, too, well—

"The men sometimes like to ride over to our camp in the evening and discuss the day's shooting," said Beverly.

"I can't explain the fascination of an elephant," said Beverly. "But he does have a glamor. Tracking an elephant you are on foot, not in a car, and he can make a bigger mess of you in a shorter time than any other animal."

"But the girls will always be under the protection of a white hunter. He'll be at her side every moment."

If this trip turns out well, Beverly would like to run a series of low-cost tourist safaris for the poor working girls of America.

"You'd be amazed how many stenographers and secretaries dream of going hunting in Africa," she said.

Beverly also has hopes of leading further all-girl tiger hunts in India and all-girl diamond digging expeditions to Venezuela. But she has temporarily shelved her plans for an all-girl voyage to harpoon whales.

"A captain I discussed this with said a group of girls on a whaler would wreck the ship," she sighed.

Inside Labor

By Victor Riesel

Nothing fascinates me as much as the vibrant democracy and freedom in this country during moments of "labor crises," when the nations stands by wondering if one of its vital industries will be shut down by a coast-to-coast strike.

We are in such a moment now. There is talk of a steel strike which would silence the nation's mills.

Those who are deep inside the two or three conference rooms where the decisions are being made—believe there will be no steel strike this year. They believe the country unduly jittery.

They say that the CIO's United Steelworkers of America, led by the pipe-smoking, silver-haired 30-day extension past the so-called David McDonald, will agree to a strike deadline when the contract expires Wednesday, June 30.

They believe the union will take another extension into August, and perhaps even later, to avoid crippling the big plants.

THAT IS NOT the point. What is significant is that a CIO union worth \$15,758,000 stands up to a \$7,500,000 iron and steel industry—and the equality of both is taken for granted, as it should be.

No police are mobilized. There are no alarms in the White House. Washington is neutral—for which the steel industry is grateful. It is a matter of record that in the era of the piano player who preceded the golf player, the White House pressured the industrialists into settling with the union.

Were this 1952, Assistant President John Steelman already would have talked confidentially to the union chiefs—and just as confidentially to the steel executives.

He would have known what each side really wanted. He would have discussed it with Harry Truman.

He would have been instructed by his chief to help the Steelworkers Union win. Or he would have been told, as he was, to seize the steel mills.

Today the White House has taken no part in the tussle between the steel industry and the big steel union. Therefore, both sides feel that they must work it out—or fight it out—on their own strength. Result? Neither side wants a strike.

THE STEEL INDUSTRY is just beginning to pick up speed. It needs to be in shape for what appears to be an inevitable re-arming program—especially aircraft, guided missiles and special secret.

The union wants no walkout, because on its own, without White House support, it knows it would have to strike for months to win weapons.

The steelworkers remember that their two months long strike back in 1952 cost them at least \$650 apiece in lost wages.

There are few working families which could take such a financial beating now but there does not seem to be an inclination on the part of the steel industry to take advantage of the White House's neutrality or the tight money situation among its workers.

The industry now is paying its people about \$3,350,000,000 a year, which is more than the combined payrolls of 1945 and 1946. The industry is prepared to pay millions more. The hassle now is merely over two or three cents an hour more per worker, and the best information is that this won't provoke a strike.

TROUBLE NOW is that last year the brand new union president, David McDonald, got a quick and easy wage victory. If you're a labor leader, you can make enemies inside your organization merely by getting out of bed in the morning. There were those inside the United Steelworkers of America, CIO, who claimed that McDonald was too easy on the industry and that he could have gotten more if he had gotten tougher.

There are those in the steel industry who told their own colleagues that they could have given less if they had gotten tougher. All right. So now, one year later, both sides are growing at each other—looking tougher.

McDonald's good friends in the U. S. Steel Corp. want to give his

followers as much as a \$4 a week increase in wages, pensions and other benefits. There are other steel executives who say that U. S. Steel is too open handed and the total increase should be \$2 a week. Of course, nobody even remotely suggests that there not be any increase, I'd like to point out to Comrade Karl Marx if he's in reading distance.

If McDonald does decide to strike, he will not want for money. One of his friends controls two big banks which would lend him millions—said friend being John L. Lewis, now seeking a place on our national Federal Reserve Board.

This you call a class struggle?

CONGRESS HIGHLIGHTS

WASHINGTON (AP)—The House presses toward a test vote on bipartisan attempts to lop nearly a billion dollars from the Eisenhower administration's 34-billion dollar foreign aid program.

In advance of the vote, indications are that the House will make no major changes in the bill recommended last week by its Foreign Affairs Committee.

Nevertheless, some congressmen urge withholding 800 million dollars in military aid to non-Communist forces in Indochina. They contend funds should be held up until a definite Far Eastern program is formulated. Other cuts have been proposed.

TAXES—In the Senate, party leaders scramble for votes on a Democratic-sponsored amendment to add big income tax cut to the administration's general tax revision bill. Republican strategists express confidence the proposed \$100 boost in personal tax exemptions will be defeated when a vote comes, probably tomorrow. The administration measure would chop individual and corporate taxes nearly 1 1/2 billion dollars in its first year on the books.

HOUSING—A former assistant federal housing commissioner, tagged by Sen. Byrd (D-Va) as the "key official" in alleged multimillion dollar housing abuses, is called before the Senate Banking Committee. The former official, Clyde L. Powell, refused to answer questions in an earlier session with the committee, which is investigating reported irregularities in the administration of some federal housing loan insurance programs. Powell claimed the protection of the Fifth Amendment.

JUNE HAVER IS WED TO FRED MACMURRAY

OJAI, Calif. (AP)—June Haver and Fred MacMurray last night achieved their goal—a quiet wedding after one of the most publicized of recent Hollywood romances.

They slipped away from the film capital for a double-ring, civil ceremony at the picturesque Ojai Valley Inn.

The civil rites, churchmen have said, will deprive the actress of the sacraments of the Roman Catholic Church, of which she is a devout member. This is because she was wed previously—in the church—to musician Jimmy Zito and the brief marriage ended in divorce, not recognized by the church. MacMurray is a Presbyterian.

For both Miss Haver, 28, and MacMurray, 45, the marriage culminated a romance each had entered after heartbreak. The actor's

wife of 17 years, Lillian, died a year ago.

Miss Haver became engaged to Dr. John Duzik, a Beverly Hills dentist, after her divorce from Zito, but in 1949 Dr. Duzik died. Friends said grief over his death was one of the reasons June entered a convent early last year to study to become a nun. After seven months she left the convent and returned to Hollywood.

Parker-Cox Nuptials Performed At Friends Church Here Friday

A Salem girl, Miss Jacqueline May Parker, and a Howell, Mich., man, Robert Bruce Cox, who were born seven blocks from each other in Detroit, met first as freshmen at Houghton College, N.Y., and Friday were married in the First Friends Church here.

The daughter of Mr. and Mrs. Lloyd Parker of Newgarden Rd. and the son of Mr. and Mrs. Bruce Cox of Howell, Mich., exchanged their vows in the double ring service witnessed by friends and relatives who filled the church sanctuary. The pastor, Rev. Harold A. Winn officiated and Mr. Parker escorted his daughter to the altar lighted by 28 tall tapers in candelabra.

Marking the pews were white satin ribbons. Palms and ferns, with greenery, were combined with white daisies, larkspur, delphinium and asters at the altar where the bride and groom stood. The bride's brother, Jimmy, lighted the candles.

Donovan Winn of Alliance, the soloist, sang "At Dawning," "Indian Love Call" and "Through the Years." Later as the couple knelt at the close of the ceremony he sang "The Wedding Prayer" to accompany by Richard Filmer of Canfield whose recital of nuptial music continued softly throughout the service.

The bride, who with her husband will go to South America as missionaries upon completion of their education, was crowned in Chantilly lace over white tulle. The lace of her costume was applied to the tulle at the yoke and the neckline was finished with a soft roll collar in V-effect. The skirt, which ended in a brush train, was gathered to the fitted bodice in a V at the front. Buttons were the trim at the wrist on the long lace sleeves.

In complement to her bridal gown was a pearl necklace, the gift of the bridegroom, and a white rose bouquet showered with Stephanotis and ivy. Her veil of imported illusion was attached to a white net Juliet cap embellished with seed pearls.

The colorfully-gowned wedding party was comprised of the bride's sister, Marilyn, who was maid of honor in pink nylon net over tulle; another sister, Dorothy Ann, in orchid; Miss Betty Leonard of Salem, in yellow; Miss Sally Shea of Holton, N.Y., a college roommate, in blue and Mrs. Ralph Davis of Salem, an aunt, in mint green.

Their gowns were all designed alike with net patterned over the tulle. The fitted bodices were worn with halters, and tulle boleros. The swirl of net on tulle in the skirts added to the bouffant effect.

Each wore bands in their hair to match their gowns and they carried pastel-colored roses and white poms arranged in heart shapes with streamers of ivy.

The flower girl, Marcia Rae of Salem and the ringbearer, Tommy Davis of Canfield, are both four years old. Marcia wore a dress of blue net over tulle and carried a basket of mixed flowers.

William Collins of Brighton, Mich., served Mr. Cox as best man. Ushers were Douglas Cox and Malcolm Cox of Howell, Mich., brothers of the bridegroom, Robert Leonard of Salem and Duane Howell of Howell, Mich.

Both mothers used contrasting white carnation corsages to go with their ensembles—Mrs. Parker in dusty rose crepe and lace with white accessories, and Mrs. Cox in pink nylon with navy blue.

The day was perfect for the reception which took place on the lawn at the Parker home. Among the 250 guests from Florida, Michigan, Indiana, Pennsylvania, New York and Minnesota and various towns in Ohio, were four grandmothers of the newlyweds—Mrs. Scholberg of Florida and Mrs. Edgar Cox of Howell, and Mrs. Carl McClung of Pioneer, O., and Mrs. Reba Carr of Salem. The latter and the bride's grandmothers.

Mrs. Raymond Rober and Mrs. Glendon McKenzie were in charge of the reception. Assisting in serving were Miss Carol Stille and Miss Dorothy Fowler. After cutting

Mrs. Robert B. Cox

the five-tiered wedding cake and greeting their guests the couple left for a honeymoon in Michigan.

Mrs. Cox, for traveling, wore a white and navy summer suit with a corsage of white rosebuds. Both will be students at Michigan State University for the summer term, occupying a cottage on the lake at Howell. They will continue at the university in the fall, the bride majoring in history and home economics and her husband, an ROTC student, in agricultural engineering.

After graduating from Houghton Prep School at Houghton, N.Y., the bride continued for two years in Houghton College before going to Michigan. Mr. Cox was graduated from Howell High School; attended college for a year at Houghton and has had a year's schooling at Michigan State University at East Lansing.

The rehearsal party was given by Mr. and Mrs. Bruce Cox at the Parker home where the prospective bride and bridegroom presented their attendants with gifts.

Postoffice Wives Hold Centennial Park Outing

A basket supper and numerous games were enjoyed by members of Wives of Postoffice Employees and their families Sunday evening, at Centennial Park. Arranging the outing were Mr. and Mrs. Philip Cozad and Mr. and Mrs. LeRoy Hively.

Mr. and Mrs. Fred Leimbach were on the game committee with prizes going to Mrs. Hively, Mrs. Harold England, Jack Tilley, Gregory and Larry Follansbee, Barbara and David Cozad and Mr. and Mrs. Philip Cozad.

The next meeting of the women was tentatively set for Tuesday, Sept. 28.

Middle Sandy Groups Hold Annual Picnic

Mrs. Agnes Wernet, who has returned to Homeworth after residing in California, and Mrs. Chester Knoll, on a visit from Florida, were welcomed by members of the Middle Sandy Presbyterian Church Ladies Aid and Grace Missionary Society at the annual picnic Friday in the home of Mrs. Lowell Wagner.

The group was invited to attend a fellowship tea Thursday, July 29, in the North Benton Presbyterian Church. Regular sessions will be resumed in September.

St. Paul Senior Guild Plans Wiener Roast

Members of St. Paul Senior Guild had a communion breakfast at the school Sunday following the nine o'clock Mass. William Santarelli served as chairman in charge of arrangements.

Plans were made for a wiener roast at Guilford Lake Tuesday, July 13. There will be no business meeting in July.

Kathleen Sigle Feted With Bridal Shower

Miss Kathleen Sigle, fiancée of Richard Smith, was honored with a surprise shower at the home of Miss Phyllis Feicht, a classmate, Friday evening.

Twenty-six classmates, friends and relatives were among the guests in the Feicht home near Greenford.

Crazy bridge was enjoyed with prizes going to Misses Joann Black, Inetta Slagle and Hazel Finley.

The linen-covered refreshment table was centered with a miniature wedding party, and carnation corsages were favors.

A large decorated sprinkling can, filled with pink and white carnations, centered the lace-covered table on which were placed the miscellaneous shower gifts presented to the honoree.

Miss Ernestine Sigle and Mrs. James Feicht, sisters of Miss Sigle, were co-hostesses.

Miss Sigle, daughter of Mr. and Mrs. E. E. Sigle of RD 3, Canfield, and Richard Smith, son of Mr. and Mrs. George Smith, of RD 5 Salem, will be married at the Calla Evangelical Church Saturday, July 10, at 2:30 p.m. Custom of open church will be observed.

Mrs. McKenzie Host To Lend-A-Hand Club

Lend-A-Hand Club members were entertained Friday evening in the home of Mrs. R. R. McKenzie in Washingtonville. Two guests were Mrs. Glen Hawkins, mother of the hostess, and Mrs. Woodrow Bailey.

Hostess prize went to Mrs. Lynn Ferguson. Contest awards were given Mrs. Carl Vignon, Mrs. R. B. Halvestad, Mrs. Bailey and Mrs. John Sweet.

Mrs. Roy Yocum, who just returned from a trip to Texas, outlined her journey and showed pictures. Lunch was served by the hostess.

Plans were made for guest-day picnic Thursday, July 29, on the Washingtonville-Leontonia Rd. property of Mrs. Roland Leach of Leontonia. The members will take their children.

Mr. and Mrs. Fred G. Roof

Salem Couple Mark 61st Anniversary

Children, grandchildren and great grandchildren of Mr. and Mrs. Fred G. Roof were present at the surprise party planned for the couple Sunday at Hofus Canyon Park at Lake Milton in celebration of their 61st wedding anniversary.

The former Stella Flick of Cleveland and Fred G. Roof, who reside at 156 Washington Ave., were married in Jamestown, N.Y., June 27, 1893 and came to Salem in 1934. Mr. Roof, a retired coal miner and lumberman, is 84 and his wife, 78.

Both are in fair health. Six of their 11 children who are living are Mable Probert and Oscar Roof of Salem; Earl F. Alliance, Ross of North Jackson, Mrs. Myrtle Copham of McDonald and Mrs. Edith Remalia of Youngstown. They also have 16 grandchildren and 14 great grandchildren.

A five tiered wedding cake was the chief attraction at the dinner with places set for 75. Present to congratulate the Roofs were people from Salem, Alliance, Damascus, North Georgetown, Belmont, Youngstown, North Jackson, New Waterford, Newton Falls and Palmyra.

Newly Married Couple Reside In Homeworth

After honeymooning in Niagara Falls, Mr. and Mrs. Howard Riddle are at home to friends in their newly furnished home in Homeworth.

Miss Leota Walker, daughter of Mr. and Mrs. Harry W. Walker of Minerva, and Howard Riddle of North Benton were married recently in the New Franklin Methodist Church. Rev. Marvin I. Lare officiated at the double ring ceremony.

Ruth Ann Walker, sister of the bride, was maid of honor, and Edwin Riddle served his brother as best man.

45 Attend Picnic Of Gold Star Class

Forty-five were in attendance at a family picnic when Mr. and Mrs. Arden Crumbach entertained the Gold Star Class of the First Christian Church Sunday evening at their home at Guilford Lake.

Mr. and Mrs. James Semple served as associate hosts.

A short business meeting was conducted by the president, Irwin Beck. There will be no meetings in July and August. The next regular meeting will be Sunday, Sept. 26.

LUNCHEON PLANNED

The Sunshine Society will be guests of Mrs. Zern Aiken of the Teegarden Road for a one o'clock luncheon Thursday.

15 Salem Churchmen At District Meeting

Fifteen men from the Salem Christian Church were among the 60 representatives of nine churches in Columbiana, Carroll, Tuscarawas and Stark Counties at the Christian Men's Fellowship meeting of district 7 Sunday at the Lisbon Church.

Calvin Filler of Salem presided when the men decided to support William Neely, Negro ministerial student for another year. "What to Do For New Church Members" was the topic of the afternoon panel discussion.

Men from the Salem Church were in charge of the vespers service; Lisbon church had the opening devotionals and Wellsville men conducted the closing Friendship circle.

Rev. Harold Deitch, new pastor of the Salem Church, was speaker, using the topic, "A Man-Size Job." A film, "For Every Child," was shown.

Forty men to attend the state meeting Sept. 17, 18 and 19 at the Kent Christian Church is the goal set by the Salem Men's group. The next district meeting will be at Carrollton Feb. 6.

Church Of Nazarene Vacation School Ends

Certificates were awarded Sunday evening to 110 pupils enrolled in the annual vacation Bible school at a program closing the sessions at the Church Of The Nazarene.

Ten sessions were held last week with an enrollment of 165.

The school was directed by Mrs. E. M. Parks, Mrs. Ernest Shoff, and Mrs. Raymond Kelly, cradle roll; Mrs. Alfred McLaughlin, Mrs. Russell Double, Mrs. Earl Ressler, beginners; Mrs. Alvin Barton and Mrs. Gladys Kennedy, Mrs. Byron Munsell, and Mrs. Donald Bixby, primary; Mrs. Roy Shoff and Mrs. Wilda Luca, Mrs. Howard Rankin, Mrs. Jack Leonhart, junior boys and girls; Mrs. Filler and Mrs. Theodore Thorne intermediates.

Mrs. Arthur Hanna and Mrs. William Sell were school mothers. Miss Carol Anderson and Mrs. James Bixby were pianist and Miss Joan Sell, secretary. The hostesses were Nancy Tullis and Pauline Palmer.

The closing program consisted of songs and Bible verses by the different classes. A display of the handbook project was shown to parents.

A chicken dinner will given in honor of the faculty July 23.

Dorothy Faloon Is Bride Of Arthur Henry

In the presence of their immediate families and friends, Mrs. Dorothy Aldridge Faloon and Arthur Henry were married recently in the Faloon home north of Lisbon.

The bride was gowned in pale blue nylon, and her matron-of-honor, Mrs. Homer McPherson, wore a white flowered nylon dress. Each wore a corsage of roses.

Homer McPherson served as best man, and Warren Faloon was ring bearer. Gwen Henry and Peggy Faloon, dressed alike in white flowered dresses, were flower girls, and Kitty and Susanne Henry, wearing pastel nylon gowns, were bridesmaids. Dale and Jerry Faloon served as ushers.

Mothers of the bride and bridegroom wore rosebud corsages in complement to their dresses of navy blue.

Following the double ring ceremony, which was read by Rev. E. D. Fager, a wedding breakfast was served.

The bride chose a green nylon dress with white accessories for her going away outfit.

After a honeymoon trip to Benton Harbor, Mich., the couple returned to Lisbon for a few days before leaving for Livonia, Mich., where Mr. Henry is a Boy Scout executive.

Ham and Apple With Cheese Topping

Ham with tart apples and a luscious cheese crumb topping makes this casserole a perfect dish for dinner or a hot lunch.

It's easy to put together and you'll like the combination of flavors.

- 2 cups cooked ham, cut in 1/2" cubes
- 6 cups pared, cored thin apple slices
- 3 tablespoons sugar

- 2 teaspoons lemon juice
- 3/4 cup sifted all-purpose flour
- 1/2 teaspoon salt
- 2-3 cups sugar
- 1 bar (1/2 cup) margarine
- 1 cup grated sharp or American cheese

Arrange ham in bottom of greased oblong 10" x 6" x 2" baking dish. Cover with sliced apples. Mix sugar and lemon juice and spoon over apples. Mix flour, salt and su-

gar in mixing bowl. Cut in margarine with fork until mixture is crumbly.

Add grated cheese and stir lightly. Sprinkle over apples. Bake in moderate oven (350 degrees F.) 40-45 minutes, or until apples are tender and crust is crisp. Makes 6 servings. Or bake in 4-6 individual casseroles (same time and temperature).

Good Soup Can Make A Meal

A hostess trick from a famous cook book author, Irma Rombauer, the distinguished and charming author of "The Joy of Cooking" (Bobbs-Merrill), has been visiting in New York City, and while I was cooking dinner for her at my house one night, she let me in on one of her own secrets.

Mrs. Rombauer lives in St. Louis and has a small country house in the Ozark foothills. It's in the country that she has lots of company during weekends; it's there, she says, that she finds it a big help to serve soup as a first course.

She ladles it into cups and brings it to her guests — before they sit down to her table — on a tray. Then as they are enjoying this, she says, she has time to put the finishing touches on the main course and get it ready to be brought to the table as soon as she has seated her guests. This is, of course, a fine idea for the hostess who has to be cook and waitress, too.

That conversation started us on an Ode to Soup. Mrs. Rombauer and I are both devoted to this good course, and we agree that a hearty and delicious soup is a wonderful main dish for a company lunch or Sunday night supper. You can serve a salad after it, if you like.

Chili Con Carne Is Popular

Texas and the Southwest may have originated Chili Con Carne, but now all areas of the country claim this dish for their own. In some areas, chili has been combined with Italian spaghetti for a "Spaghetti Chili Mac." In others, the chili, with or without the beans makes a high-flavored filling for toasted buttered buns.

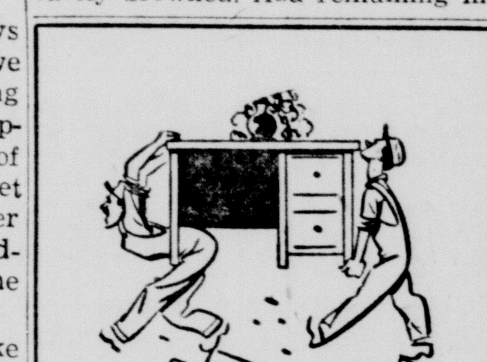

Chili recipes vary, but all start with browning the beef. Don't skimp on the beef in making chili. Slow blending of flavors is another secret of success.

Most chili recipes call for long cooking. But we have a full flavored quick-chili recipe. It combines a pound of hamburger with onion and seasonings and a can each of tomatoes and kidney beans. It's a thick chili, perfect for kitchen parties. Later it will be good to take outside with you for cooking over a picnic fire or back-yard fireplace.

- Quick Chili Con Carne**
- One pound hamburger
 - 2 medium onions, chopped
 - 2 tablespoons fat
 - 1 teaspoon salt
 - 1 teaspoon chili powder
 - 1/4 teaspoon pepper
 - 2 cups (one No. 303 can) cooked tomatoes or tomato soup
 - 2 cups cooked kidney beans
 - Brown hamburger and onions in hot fat. Season meat well. Add tomatoes and kidney beans. Cook over low heat 20 to 30 minutes.

Chili for a Crowd

- Two and one-half pounds hamburger
- 1/4 cup fat
- 2 cups chopped onion
- 2 quarts tomato puree
- No. 2 cans red kidney beans
- 4 tablespoons chili powder
- 2 teaspoons salt
- 1 clove garlic, finely chopped
- shredded cheese
- Melt fat; add onion and brown. Add hamburger, and stir until delicately browned. Add remaining in-

Dodgers, N. Y. Open Crucial Series Tonight

By ED CORIGAN
AP Sports Writer

The team that finished 35 games out of first place last season defends its slim one-game hold on the National League lead tonight against the scrambling defending champions.

And if Leo Durocher's New York Giants can salvage one victory in the three-game set with the Brooklyn Dodgers, they still will be tied for first place.

Meanwhile, in the American League, the three teams fighting for the lead — Cleveland, Chicago and New York — all take on clubs that they hope to use to fatten their averages. The league-leading Indians play Baltimore; the White Sox, a game and a half back, entertain the Detroit Tigers in a doubleheader; and the Yankees, three games in arrears, go to Boston.

This is an important set for both the Giants and Dodgers, and, as a matter of fact, it is the first time since Durocher has been at the helm that the Polo Grounds crew has started a home series with the Dodgers in first place.

Ancient Sal (The Barber) Maglie probably will start for the Giants in the first game. His opponent will be Don Newcombe. In the other games, Durocher plans to start Jim Hearn and perhaps Ramon Monzant, a Venezuelan from Minneapolis. Carl Erskine and Russ Meyer will get the other two assignments for the Dodgers.

The Dodgers, the defending champions, have had their ups and downs, but Manger Walt Alston thinks the team finally has jelled. He won't come right out and say so, but the feeling is that if the club can sweep the series, the road will be cleared for its third straight flag.

"Some of the boys weren't hitting," Alston said. "But now that Carl Furillo and Roy Campanella have come around we have a much better attack. The pitching is straightening out fine, especially since Newcombe's arm trouble has left him."

Captain Al Dark acted as spokesman for the Giants.

"We've been looking forward to this series for two weeks," he said. "When we got to the top we knew we'd have to beat off the Dodgers to stay on top. If we can win this series, and I'm sure we can, we'll win the pennant."

No regular games were scheduled yesterday, but in exhibitions Binghamton of the Eastern League defeated the Yanks 5-2; St. Louis turned back their Rochester farm hands 3-2; Boston stopped the Giants 8-6; the Indians walloped the Pittsburgh Pirates 10-2; the Philadelphia Phillies edged the Philadelphia A's 3-2 in seven innings; and Cincinnati dumped the Detroit Tigers, 6-2.

Steve Lesick Is Second In NASCAR Standings

Salem's Steve Lesick is currently second in the state standings of NASCAR, it was reported this morning from NASCAR headquarters in Daytona Beach, Fla.

Lesick has accumulated 282 points, only 14 behind the Ohio leader, Red Douglas of New Albany. Douglas is last year's defending champion.

The top men in the state and national championships will share in more than \$100,000 which will be presented at the annual Daytona Beach Speed Week Victory Banquet in February.

hitter, handed the league-leading Tool outfit and star hurler Bill Herman their first setback of the season, 3-1.

Grange scored first in the second inning as an error, Charles Montgomery's ground-rule double and Mercer's sacrifice fly brought Bob Cameron home.

As tension mounted, neither team crossed the plate again until the top of the sixth inning when Tom Cope walked and Tom Pastier lashed out a triple. However, as Pastier streaked for home with the potential winning run, center fielder Ed Bozich cut off the runner at the plate with a perfect peg from the outfield.

IN THE BOTTOM of the sixth, Grange won the game as Bozich doubled over the fence in center, Al Landwert walked, and after a successful steal, both men scored on Joe Vogelhuber's clutch single to center.

In the top of the seventh, Tool had the tying run on first with one out and on second with two away. But with men on second and third and two out, Mercer got the

last batter to fly to left field for the final out of the game.

Both Herman and Mercer gave up six hits, Mercer striking out six men and Herman, four. Herman had won 6 straight games.

Officials termed the exciting contest the best game of the year thus far. The largest crowd of the season was also on hand, officials reported.

Tool is still leading the league with an 8-1 record while Grange is ½ a game behind with a 7-1 card.

IN OTHER ACTION last night, Mullins tripped Goshen Grange 14-6 and Paul and Joe walked over Parker Chevrolet 15-8.

Mullins sluggers teed off for 16 hits to coast to an easy win. The Manufacturers scored five tallies in the second inning and seven in the third to notch the victory. Roland Hall led the Mullins batters with three hits while Anton Hrvatin, Joe Hrovatic, Paul Wukotich, John Drakulich, and Bob Campbell had two hits each.

Paul and Joe racked up seven extra base hits to tromp Parkers. John Rottenborn led the parade with a home run, two other hits and 7 RBI.

Paul and Joe racked up a total of 17 hits while winning hurler Don Fife struck out 11 men.

Erhart and Nelson Mellingier had three hits along with Rottenborn, while Willie Noguera, Wheel Harrigan, and Joe Roller each had two. Stan Cosky, George Manning and Paul Paster had two hits for the losers.

Head Football Coach At Case Tech Resigns

CLEVELAND (P)—Jack St. Germain resigned yesterday as head football coach at Case Tech effective June 30. St. Germain, who has been at Case since his graduation from Baldwin-Wallace in 1948, said he felt there was no future at Case, and a job he was offered was too good to turn down.

Ken Davidson, world famous authority on badminton, shows how to grip the racket. Note how the fingers rather than the palm of the hand.

Batting The Bird

The Novice Must Learn Badminton Fundamentals

By KEN DAVIDSON
(Written for AP Newsfeatures)

First of 5 articles

You must master the badminton fundamentals before you can master the game.

First, the grip. It should be firm and secure but not tight. If there is tension felt in the tendons of the wrist you are holding the racket too tightly.

The racket handle lies diagonally across your fingers rather than in the palm of your hand. Your index finger is slightly farther apart from the others, running down around the handle at a 45 degree angle. The never bunch your fingers closely together and never hold your racket as though it were a club.

Your fingers control the final

movements of the racket.

For both forehand and backhand strokes your fingers and thumb should hold the racket firmly but freely at all times.

The novice must learn to cock the wrist back as far as possible for any stroke, so that at the instant of contact it will be released to allow the racket to hit the shuttle firmly and solidly.

At the instant of contact, the racket, arm and wrist should be in an extended straight line for either forehand or backhand. The wrist action for backhand is done with palm toward the floor. The little-finger edge of the hand is the hitting edge. The thumb becoe aelm svrpf .wro orethumb becomes a lever for power.

Sekely Drubs EF; Mullins Nips VFW In Little League Action

Sekely drubbed Electric Furnace 15-9 and Mullins nipped VFW 3-2 in Little League action at Centennial Park Monday.

In the evening's thriller, Fella Catlos broke a 2-all tie in the top of the last inning with a long home run to win the game for Mullins over VFW.

Both teams scored in the first inning and VFW took the lead in the third with another tally. Mullins tied it in the fourth without the benefit of a hit, and neither team scored again until Catlos' deciding blow.

Catlos was the winning pitcher, giving up six hits to the losers. VFW managed at least one hit in every inning but the first, but were unable to bunch them.

David Hunter hurled a two-hitter in a losing cause. Hunter and Powell Schumacher each had two hits for VFW.

Bunching their runs in three big innings, Sekely rolled over Electric Furnace 15-9.

The winners scored three times in the first, six times in the sec-

ond and send five more tallies home in the sixth. The big blow in the six-run second frame was Short-stop Johnny Hanna's homerun.

Hanna led the 10-hit Sekely attack with three safeties while winning pitcher Ned Chappel had two. Louis Slaby had three hits for Furnace while Woody Dietch and Jeff Roberts had two each.

Furnace also collected 10 hits.

WONDER WHAT THE UMPIRE CALLED THIS ONE. — Umpire Art Gore rolls over on his back and St. Louis Cardinals catcher Bill Sarni drops to his knees after they collided when Sarni was chasing a foul fly off the bat of Brooklyn Dodgers Billy Cox in the third inning of a game at Ebbets Field. Ball bounces away as Sarni gazes at it. The Dodgers won, 7-6.

Canfield To Stage 'Fireworks' Night

Canfield Speedway's annual "Fireworks" night will be staged Wednesday, when Manager Charlie Findlay inaugurates an all "Hard-Top" racing program.

A field of 50 or more hard tops will be on hand for the eight-race program, which will include three heat races, a special dash, consolation, two semifinals and the 25-lap feature.

NEW YORK (P)—Paul Giel says he isn't worried about home runs. He just wants to learn control.

The former Minnesota All America football star, now a \$60,000 bonus pitcher, made his debut with the New York Giants last night in a Red Cross charity game against the Boston Red Sox.

He was getting along just fine until the sixth when a walk and two singles loaded the bases and, with two out, Grady Hatton cleaned them off with a grand-slam homer deep into the right field seats.

"The pitch wasn't quick enough," Giel said in the dressing room. "I came right down the gutter. I was trying to get it by him on the outside."

The pleasant, easy-talking Giel, still sporting his collegiate crew cut, spoke earnestly of his problems of jumping from the Big Ten to the big leagues, but he showed no signs of dejection.

Strattons Chevrolet Tops Sidingers 14-2

In Class B. play Monday at Kelley Field, Stratton's Chevrolet won their fifth straight game without a setback by handing Sidingers a decisive 14-2 defeat.

The game was close until the top of the fourth inning when the winners broke loose for 12 runs in that frame. Lee Morrow highlighted that outburst with a grand slam round tripper.

Laird Bowersock was the winning pitcher, allowing but 3 hits, while Don Scattergood took the loss, Kenny Lofland and Ron Bricker each had two hits for Strattons.

THIS IS A VACATION?

Baker (left) will be the mechanic and Fabry the interpreter on their Pan-American trip.

MOST VACATIONERS this summer will not take along some Army C-rations, machete knives, a shotgun, block and tackle, dust mask, a tropical helmet or a sleeping bag. Of course, they aren't going with Frank Baker and Gerald Fabry on their 100-day, 16,600-mile journey from Boston to Rio de Janeiro in an MG sports car. Baker, from Cambridge, Mass., met Fabry, a Frenchman, during World War II when both were in the Mediterranean. Later they became roommates at Harvard where they got the idea for their Pan-American trip through 15 countries and 10,000 miles of unpaved roads. Among hazards they will face are stretches of scorching deserts, tropical storms, poisonous insects and the heavy snows of the Chilean Andes at an altitude of more than 15,000 feet. Both boys have trained like athletes for seven months and been inoculated against five different diseases. Trip will cost \$3,000 each. They hope to recoup expenses with articles and lectures.

Cleveland To Open Series With Orioles

BALTIMORE (AP)—Cleveland's Indians start a two-game breather tonight against the Orioles here before coming home Friday to a trio of games against the second place Chicago White Sox.

If the Indians lost tonight, the Sox, who hang a scant game-and-a-half behind the Tribe, could bridge the gap entirely by winning their two-night doubleheader against Detroit.

In third place and three games behind the Indians, the New York Yankees stand an excellent chance of closing in on the leaders by pushing over the Boston Red Sox, who occupy the league's cellar.

The New Yorkers mauled the Indians in two out of three games over last weekend, and can coast against the second division opposition that permitted the Indians a 20-game ride before the weekend series.

Without getting technical, one can assume 1954 American League's second division has five teams in it, since fourth place Detroit lingers 15½ games behind the leader.

That leaves the league's pennant race, nearly at the half-way mark, a three-team affair that probably will not be decided before mid-September.

In Pittsburgh yesterday for a benefit exhibition, the Tribe staged a 10-2 clobber of the Pirates, who trail the National League.

Rudy Regalado, who was benched last week when his batting average sagged to .266, rapped out four singles and a double in five times at bat to lead the Indians' 16-hit attack.

Pitcher Dave Hoskins gained a leg on his own victory with a three-run homer in the second inning that started the Indians scoring.

On base with singles were Regalado and George Strickland, who was sold by the Pirates to the Indians two years ago.

Manager Branch Rickey said of the shortstop, "I don't see how I could have been so wrong about that boy."

Art Houtteman goes after his eighth victory against four losses in the opener tonight, while the Orioles will be seeking their sixth straight victory. Mike Garcia pitches tomorrow night.

Al Rosen will receive the Keneaw Mountain Landis Memorial Award of the American League Friday night between games in the two-night doubleheader against Chicago.

The award, a plaque for the league's most valuable player, will be presented by Ed McAuley of the Cleveland News, national chairman of the Baseball Writers' Assn. who picked Rosen unanimously last year. He was the first player in the majors to be selected unanimously.

WIMBLEDON, England (AP)—The girls get the Wimbledon spotlight all to themselves today and all knowing people figure champion Maureen Connolly will lead a quartet of Americans in the semifinals of the All-England Tennis Championships.

It will be the biggest upset of the tourney if she doesn't. Ever since the Wimbledon championships were revived after World War II, the United States has provided both finalists in the women's singles and most of the semifinalists as well.

This year the battle to get through the quarter-finals will be fought out among six Americans—Miss Connolly, Doris Hart, Shirley Fry, Louise Brough, Mrs. Margaret Osborne du Pont and Mrs. Betty Pratt—and a couple of Britons, Angela Mortimer and Helen Fletcher. Miss Mortimer is seeded sixth and Miss Fletcher, seventh.

Miss Mortimer plays Miss Brough of Beverly Hills, Calif., and Miss Fletcher meets Miss Hart of Coral Gables, Fla. Nobody gives the British girls much of a chance against the hard-hitting Americans. Miss Hart, last year's finalist, is seeded second and Miss Brough fourth.

Neither are Mrs. du Pont's chances rated very high against mighty "Little Mo." in full cry after her third title and running and hitting the ball harder than ever. Mrs. du Pont of Wilmington, Del., 1947 Wimbledon winner, is back here after an absence of two years.

In the men's competition yesterday, defending champion Vico Seixas of Philadelphia, rated fourth was eliminated by Budge Patty of Los Angeles and Paris, the 1950 champion and seeded seventh, 7-5, 4-6, 6-3, 6-2. Australia's Lew Hoad, No. 2, fell before Jaroslav Drobný 6-4, 6-3, 6-3.

Top-seeded Tony Trabert of Cincinnati brushed aside Mervyn Rose of Australia 6-2, 6-2, 7-5 to join Drobný, Patty and Ken Rosewall of Australia in the semifinals.

Herb Score continues Record Strikeout Pace

By The Associated Press

Herb Score continued to pile up an imposing strikeout record in the American Association as he pitched the league-leading Indianapolis Indians to a 4-1 victory over Louisville yesterday.

Score struck out 11 batters in the seven-inning opener of a doubleheader—making his total 130 in 106 innings this season.

The Indian hurler allowed only two hits. The Colonels got their run against him on three walks and a foul fly. Joe Altobelli drove in three of the Indianapolis scores with a first-inning triple and Owen Friend got the other with a sixth-inning homer.

Louisville won the second game 9-4 as Norm Zauchin, Frank Malone and Pete Daley hit round-trippers. Zauchin also got a bases-loaded triple. The Indians' runs came on a grand slam homer by Bob Prentice.

In the Association's only other activity, Toledo defeated Kansas City, 8-3, as Les Fusselman and Jack Daniels connected for home runs.

Charleston at Minneapolis and Columbus at St. Paul were postponed because of rain.

Salem News June 29, July 6, 13, 1954.

age sagged to .266, rapped out four singles and a double in five times at bat to lead the Indians' 16-hit attack.

Pitcher Dave Hoskins gained a leg on his own victory with a three-run homer in the second inning that started the Indians scoring.

On base with singles were Regalado and George Strickland, who was sold by the Pirates to the Indians two years ago.

Manager Branch Rickey said of the shortstop, "I don't see how I could have been so wrong about that boy."

Art Houtteman goes after his eighth victory against four losses in the opener tonight, while the Orioles will be seeking their sixth straight victory. Mike Garcia pitches tomorrow night.

Al Rosen will receive the Keneaw Mountain Landis Memorial Award of the American League Friday night between games in the two-night doubleheader against Chicago.

The award, a plaque for the league's most valuable player, will be presented by Ed McAuley of the Cleveland News, national chairman of the Baseball Writers' Assn. who picked Rosen unanimously last year. He was the first player in the majors to be selected unanimously.

WIMBLEDON, England (AP)—The girls get the Wimbledon spotlight all to themselves today and all knowing people figure champion Maureen Connolly will lead a quartet of Americans in the semifinals of the All-England Tennis Championships.

It will be the biggest upset of the tourney if she doesn't. Ever since the Wimbledon championships were revived after World War II, the United States has provided both finalists in the women's singles and most of the semifinalists as well.

This year the battle to get through the quarter-finals will be fought out among six Americans—Miss Connolly, Doris Hart, Shirley Fry, Louise Brough, Mrs. Margaret Osborne du Pont and Mrs. Betty Pratt—and a couple of Britons, Angela Mortimer and Helen Fletcher. Miss Mortimer is seeded sixth and Miss Fletcher, seventh.

Miss Mortimer plays Miss Brough of Beverly Hills, Calif., and Miss Fletcher meets Miss Hart of Coral Gables, Fla. Nobody gives the British girls much of a chance against the hard-hitting Americans. Miss Hart, last year's finalist, is seeded second and Miss Brough fourth.

Neither are Mrs. du Pont's chances rated very high against mighty "Little Mo." in full cry after her third title and running and hitting the ball harder than ever. Mrs. du Pont of Wilmington, Del., 1947 Wimbledon winner, is back here after an absence of two years.

In the men's competition yesterday, defending champion Vico Seixas of Philadelphia, rated fourth was eliminated by Budge Patty of Los Angeles and Paris, the 1950 champion and seeded seventh, 7-5, 4-6, 6-3, 6-2. Australia's Lew Hoad, No. 2, fell before Jaroslav Drobný 6-4, 6-3, 6-3.

Top-seeded Tony Trabert of Cincinnati brushed aside Mervyn Rose of Australia 6-2, 6-2, 7-5 to join Drobný, Patty and Ken Rosewall of Australia in the semifinals.

Herb Score continues Record Strikeout Pace

By The Associated Press

Herb Score continued to pile up an imposing strikeout record in the American Association as he pitched the league-leading Indianapolis Indians to a 4-1 victory over Louisville yesterday.

Score struck out 11 batters in the seven-inning opener of a doubleheader—making his total 130 in 106 innings this season.

The Indian hurler allowed only two hits. The Colonels got their run against him on three walks and a foul fly. Joe Altobelli drove in three of the Indianapolis scores with a first-inning triple and Owen Friend got the other with a sixth-inning homer.

Louisville won the second game 9-4 as Norm Zauchin, Frank Malone and Pete Daley hit round-trippers. Zauchin also got a bases-loaded triple. The Indians' runs came on a grand slam homer by Bob Prentice.

In the Association's only other activity, Toledo defeated Kansas City, 8-3, as Les Fusselman and Jack Daniels connected for home runs.

Charleston at Minneapolis and Columbus at St. Paul were postponed because of rain.

LEGAL NOTICE

NOTICE OF ELECTION ON TAX LEVY IN EXCESS OF THE TEN MILL LIMITATION

NOTICE is hereby given that in pursuance of a Resolution of the Board of Education of the United Local School District, Columbiana County, Ohio, passed on the 4th day of June, 1954, there will be submitted to a vote of the people of said United Local School District at a General Election to be held in the United Local School District, Columbiana County, Ohio, at the regular places of voting therein, on Tuesday, the 2nd day of November, 1954, the question of levying, in excess of the ten mill limitation, a renewal of two former three-mill tax levies for the benefit of the United Local School District for the purpose of providing an adequate amount for current expenses at a rate not exceeding six (6) mills for each one dollar of valuation, which amounts to sixty cents (\$0.60) for each one hundred dollars of valuation, for each of the tax years 1954, 1955, 1956, 1957 and 1958 including a levy upon the tax duplicate of the current year.

The Polls for said Election will be open at 6:30 o'clock A.M. and remain open until 6:30 o'clock P.M. Eastern Standard Time, of said day.

By Order of the Board of Education of Columbiana County, Ohio.

Administration Farm Program Support Urged

WASHINGTON (AP)—Facing a rugged fight in the House, the Eisenhower administration has appealed to the country at large for support of its farm program pegged to flexible instead of high, rigid price props.

Vice President Nixon and Secretary of Agriculture Benson appeared together last night on a nationwide radio broadcast in which Benson stated:

"The present farm program is unfair to both farmers and taxpayers, and that's why the administration has asked Congress to correct the faults of the law."

Benson said it is not true—as some have charged—that the administration is proposing changes in the nation's basic farm law that would lead to reduced farm income.

Nixon said continuation of the present program, and its high-level supports would be "the height of irresponsibility."

The two administration leaders went on the air at the request of President Eisenhower as the House moved toward consideration later this week of a bill providing, not for flexible supports, but for a one-year extension of the present war-born system of props at 90 percent of parity for corn, cotton, wheat, rice, peanuts and tobacco.

Across the Capitol, the Senate Agriculture Committee also has urged another year of rigid, high props, but the House will act on the farm legislation first.

Parity is a standard for measuring farm prices said by law to be fair to farmers in relation to the costs of the things they must buy.

Proponents of extension of inflexible farm price floors will have their inning with the public tomorrow night in a 10:45 p.m. (EDT) broadcast. Their case will be put forth by Chairman Hope (R-Kan) of the House Agriculture Committee and Rep. Cooley (D-N.C.), its ranking Democrat.

14 High School Students Attend Music Clinic

Fourteen Salem High School band and chorus students are among 200 attending the High School Music Clinic which concludes next Sunday at Baldwin Wallace College. The Salem group took part in the concert presented last Sunday and will appear in next Sunday's concert.

Verner Chance is in charge of the clinic's chorus and Dr. Frederick Ebbs, the band clinic. Miss Nancy Bailey from Salem, a student at the college, is counselor at the clinic.

Attending from here are Carol McQuilkin, Barbara Erath, Mary Mercer, Barbara Young, Sandra Gray, Bonnie Zimmerman, Joan Lewis, Great Lewis, Marilyn Schaefer, Sandra DeJane, Robert Domenetti, Duane Bates and Howard Pardee Jr.

LICENSE IS SUSPENDED

LISBON—Jubilee Judge Louis Tobin suspended the operator's license for 60 days of a 17-year-old Homeworth Boy charged with a stop sign violation. He was arrested last Tuesday on Route 173 by the state highway patrol at Salem.

DERBY MEETING TODAY

A meeting of the Soap Box Derby committee will be held at 8 o'clock at the Jaycee rooms.

BATON CONTEST WINNERS—Six Salem Girls won honors in the Baton Twirling contest held at Reilly Stadium Sunday afternoon and evening.

Missing from the picture is Patty Wisler who won a fifth place. Above, (l. to r.) are Tara Donahy, 4, who tied for second in the beginners' contest; Dianne Wright, 7, who was second in her classification; Carolyn Lewis, 15, who tied for first and then was awarded third place after a twist-off; Suzanne White, 9, who was second in her age group and Judy Ziegler, 4, who tied with Tara Donahy for "second in the beginners' class." Suzanne and Dianne are holding the trophies they won Sunday while the other three girls are wearing the medals they received.

Truman's Condition Listed As Improved

KANSAS CITY (AP)—Harry S. Truman's condition was listed today as improved although doctors still indicated concern over his reaction to drugs.

The former President's recovery from an emergency appendix and gall bladder operation June 20 has been hampered by his hypersensitivity to antibiotic drugs needed in the treatment. His condition still was serious and he showed fatigue, Research Hospital reported.

A hospital spokesman said last night that there was general agreement among Dr. Wallace Graham, Truman's physician, and other doctors assisting in the case "that his condition is quite unusual and requires special bacteriological studies and treatment."

Lisbon Mayor Warren To Appoint Councilman

LISBON — The responsibility of appointing a councilman to replace Francis Clunk, who resigned May 28, fell to Mayor Wilbur Warren today.

"We hope to locate someone to fill the seat before the next meeting, July 6," the mayor said this morning.

If council fails to appoint a replacement by next Tuesday for Graham Kearney who also resigned, it will become the duty of the mayor to locate a person to fill his chair.

Kearney and Clunk who proposed opposite plans for setting sewer rental fees for the new sewage disposal plant, quit shortly before a flat rate system proposed by Clunk was adopted.

Obituary

Mrs. Calvin C. DeHoff

Funeral service for Mrs. Mary Myers DeHoff, 73, who died June 22 at the home of her son, Clarence, at Riverside, Calif., will take place Friday at 2 p.m. at the North Georgetown Lutheran Church with the pastor, Rev. A. J. Hull officiating, and Rev. G. D. Keister of Holy Trinity Lutheran Church, assisting. Interment will be in North Georgetown cemetery.

Friends may call Thursday evening at the Stark Memorial.

Mrs. DeHoff, born in New Middleton, Feb. 8, 1875, spent her early years in this vicinity. She and her husband, Calvin C. DeHoff, who preceded her in death in February of 1949, lived in Phoenix, Ariz., after leaving this area.

Survivors besides her son, with whom she made her home when she became ill two months ago, are a grandson, two great grandchildren and a sister, Mrs. Audrey Wank in North Georgetown. Rev. Keister is a nephew.

\$100 Sought From Goshen Board For Link Trainer

Superintendent C. G. Long of Goshen Union School said today that he has two letters on file from the State Department of Education, explaining that Goshen Union "did not make application" for a Link trainer for which the school has been billed an additional \$100.

The superintendent explained that back in 1945 he received an application to send for a trainer, a flightless airplane, used in teaching aeronautics but he threw the application away.

Sometime later he was notified by the Pennsylvania Railroad Co. that the trainer had arrived and the school owed \$92. Thinking that amount was the total cost, the money came out of the school fund and was paid. In two or three months the school was filled for an extra \$100.

The trainer has not been in use for some time, according to Mr. Long.

Reynolds

Continued From Page One

carefully cherished claim that he has never been successfully sued for libel. Previous libel cases have been settled out of court with Pegler claiming he has never been assessed a penny in settlements.

The jury divided its \$175,000 levy among the three defendants: \$100,000 against Pegler; \$50,000 the Hearst Corp., which distributes the Pegler columns to 186 newspapers; and \$25,000 against Hearst Consolidated Publications, which publishes the local Pegler outlet, the New York Journal-American.

Actually, because of a protective clause in Pegler's contract, the Hearst interests and not Pegler will have to pay the \$100,000 levied against him.

Neither will he have to pay any part of the \$1 which was allocated to all three defendants.

There was an immediate motion, however, by Pegler's lawyer to set aside the verdict on the grounds of excessive damages being granted. Judge Weinfeld, who will hear the motion Friday, meanwhile granted a 20-day stay in the award.

The jury also announced it was deadlocked in a counterclaim filed by Pegler which alleged Reynolds had libeled him in a book review published in the New York Herald Tribune nine days before Pegler wrote his Nov. 29, 1949 column.

In Pegler's column, Reynolds said he was depicted as a pro-Communist, a nudist and a man so unfeeling he would propose to a widow on the way to bury her husband. He said Pegler attacked his World War II career as a foreign correspondent for Collier's Magazine, called him "yellow" and "an absentee war correspondent."

That column, Reynolds testified, ended his 17-year association with Collier's and cost him \$25,000 a year, made him "dead" in radio and television work (he estimated this loss at \$52,000 a year) and was responsible for his being cold-shouldered in Hollywood, where he once earned \$100,000 a year.

Children In Program

At First Friends Church

Children of the Vacation Bible School of the First Friends Church presented an interesting program Sunday evening, which included choruses and songs. There was an average daily attendance of 106. Miss Jane Huff of Grinnelle, Ia., director was in charge of the program. Rev. H. B. Winn, pastor, also had part. Handwork of the children was exhibited.

A recruiters parade was featured. This included the children who brought other children to the school. Margaret Good, Robert Eagleton and David Stratton received awards. The children gave a special offering to missions. Details of the school were arranged by Mrs. Clifton A. Lefter, Mrs. Robert Todd and Mrs. Robert Stratton.

REBELS GATHER SUPPLIES — Anti-Communist troops collect supplies dropped by parachute (carried by soldier on left) onto a small, improvised air strip in Esquipulas, Guatemala. On the left is a Cessna plane, the type used earlier to bomb and strafe Guatemalan cities.

Committees Named For Youth Center

Further plans in organizing a Damascus Youth Center were made when temporary trustees held a meeting recently at the Methodist Church.

Wilson Morlan, chairman, appointed Mrs. Joseph E. Bush temporary secretary, and the following committees:

By-laws and organization—Harris Stanley and Rev. R. E. Mosher, co-chairmen, Mrs. Paul Warrington, R. H. Dankler, Mrs. Herold Brown; improvements, Mrs. Joseph E. Bush, chairman, Lea Bennett, Mrs. Charles Seeman, Ellis Stern. Fund raising—Foster McBride, chairman, Mrs. Crawford Brantingham, Mrs. Robert Moore, Lawrence Strawn.

These committees will report at the next general trustee meeting July 9 at 8 p.m. in the Damascus Methodist Church.

The local organizations represented by members of the above committees are: Magazine Club, Methodist Church, Friends Church, Garfield Grange, fire department; Boy Scouts, Cub Scouts, Girl Scouts, Mothers, Garden, Boosters and Ruritan Clubs, League of Women Voters, Merry Mixers and Band Mothers.

The following youth organizations will be invited to the meeting July 9: Damascus Youth Fellowship, Friends Young People, Girl Scout, Boy Scouts, 4-H Groups and Goshen student council.

TWIN RARITIES — Albino squirrels are so rare that the capture of a pair of them at Seneca, Ill., caused much excitement. The snow-white oddities are progeny of two normal, wild red squirrels. They are pictured with Jimmie Jones, on whose parents' land they were caught when a few weeks old. The animals are very tame and are thriving.

French Abandon Indo Strongpoint

SAIGON, Indochina (AP) — The French today announced abandonment of a strong point in central Viet Nam and admitted two days of Vietminh ambushes had mauled their withdrawing troops badly.

The high command said French and Vietnamese forces pulled out last Friday from An Khe, 250 miles northeast of Saigon and 40 miles west of the China Sea coast. It had been in French hands since 1946.

The French said their forces suffered "serious losses" in an all-day fight with the Communist-led rebels last Friday and more damage in actions continuing into Sunday. But the high command said Vietminh claims of more than 1,000 casualties were greatly exaggerated.

On Sunday, the announcement said, the battered column finally reached the safety of Pleiku, a key French post 50 miles west of An Khe. The French said scattered operations in the area were continuing.

The high command said An Khe was abandoned in line with an over-all policy of regrouping the French forces in Indochina. But the withdrawal underlined Gen. Henri Navarre's admission earlier this month that a five-month campaign to smash the Vietminh in central Viet Nam had failed.
